

# HELP SUPPORT ARAMAYAH PEVY WHO IS FIGHTING CHILDHOOD LEUKIMIA

Aramayah is a loving, funny, intelligent 3rd grader at Lee Elementary. An 8 year old full of love and light, she ended the school year hoping to have a summer filled with trips to grandmas, swimming, catching fire flies, and doing everything a kid loves to do during the summer break. Just as school let out, she started to say things hurt, got bruises and just didn't act like her self. On June 1st, after some local testing, Aramayah was transported to Children's Mercy where she was diagnosed with ALL B Cell Leukemia.

She stayed inpatient for 6 days, had a port placed, and multiple transfusions and platelets were needed. She then began having some heart issues from her port and needing a second procedure to replace it and try to stop the irregularities in her heart beat.

After 8 months of weekly trips to Children's Mercy for Chemo. She is starting a maintenance phase of treatment for the time being. A verse that has kept her family strong strong is Exodus 14:14. From her mom "We are believing in God and how mighty he is, but there are still many unknowns and expenses are starting to come in and it's more that I can do as a single mother of four. We are beyond thankful to each one of you for your love and support! There is no donation or prayer too big or small." Let's rally together and help her fight this battle! #MayMayStrong
