In-kind contributions from any person in an aggregate amount or value over \$100 during the reporting period are to be itemized separately showing the date, name and address of the contributor, description of the in-kind contribution and the value of the in-kind contribution. Value of in-kind contribution is the fair market value of the item or service as if it had been purchased, sold or leased in the ordinary course of business.

The total of unitemized in-kind contributions is to be entered as a lump sum in the box at the bottom of Schedule B.
