OVERNIGHT SHELTER

The [Manhattan Emergency Shelter, Inc.](#) (416 S 4th St.) is the only organization that can provide shelter overnight. The MESI facility has occupancy limits as well as eligibility requirements for guests.

EMERGENCIES

In an emergency such as a flood, widespread power outage during extreme weather, or other large-scale disaster requiring evacuation, Riley County Emergency Management will coordinate with area agencies to open a group shelter if needed. The location of the group shelter will depend on the nature of the emergency and the number of people who are impacted.
