SECTION 2. The following pay plan is established for unclassified employees:

| Annual <br> Minimum | Annual <br> Midpoint | Annual <br> Maximum | Position <br> $\$ \$ 89,491.58$ |
| :---: | :---: | :---: | :--- |
| $\$ 119,560.06$ | $\$ 149,628.54$ | Municipal Judge (E) |  |
| $\$ 43.02$ | $\$ 57.48$ | $\$ 71.94$ |  |

SECTION 3.
It is the policy of the City that the salary provided for all employees is for the purpose of recruiting, retaining, and motivating proficient individuals to deliver City services, programs, and activities. Within sound fiscal policy, salaries will be provided on the basis of internal equity, job-related experience, and external competitiveness. When at all possible, a consistent relationship will be established between salary range and job classification. The current pay plan was recommended by City Administration following recommendations of the AGH Consulting Group "Total Rewards Study," and accepted by the City Commission on April 19, 2022. The "Total Rewards Study" provides the basis for administering and maintaining this pay plan, in conjunction with the salary administration policy and guidelines developed and administered by the City Manager or designee.

SECTION 4. All employees shall normally receive a rate of pay no less than the minimum of their pay grade, and no higher than the maximum of that pay grade, exclusive of anniversary or similar annual payments.

SECTION 5. A new appointment will be placed within the compensation structure based upon their job-related experience. An employee with less than three years job-related experience will be placed at the minimum within their pay grade. An employee with three to five years of verifiable experience in a similar role may be placed $8 \%$ to $12 \%$ above the grade minimum, with higher placement based upon job-related experience that occurred in a similar agency. An employee with five to seven years of verifiable experience in a similar role may be placed four to eight percent below the midpoint, with higher placement based upon job-related work that occurred in a similar agency. An employee with eight to 10 years of verifiable experience in a similar role may be placed at the midpoint. An employee with more than 10 years of verifiable experience in a similar role may be placed above midpoint; however, a new appointment should not be placed more than $25 \%$ above the midpoint within the grade to allow for movement within the structure. The City Manager and Director of Human Resources may recommend an appointment's placement in the structure outside of these guidelines only in extenuating circumstances based upon the new appointment's qualifications, competitive conditions of the market at the time of hire, and/or internal equity.

SECTION 6. Salary increases within the range will be granted on the basis of work performance and/or cost-of-living adjustments, and will be administered according to the salary administration policy and guidelines in accordance with the adopted pay plan and approved by the City Manager.

SECTION 7. The City Manager will establish the rate of pay for part-time, seasonal, or temporary positions or for positions developed under any training or special program for which there are no class descriptions.

SECTION 8. The pay rates for classified employees of the Fire Department bargaining unit shall be those established through the collective bargaining process pursuant to law.

SECTION 9. Rates of pay above those established by the Salary Administration Policy and Guideline shall be determined and/or approved by the City Manager.

SECTION 10. The following annual salaries are established for the Governing Body and the City Manager:

| Mayor | $\$ 7,200$ |
| :--- | :--- |
| City Commissioners | $\$ 6,000$ |
| City Manager | Such amount as established by the Governing Body through a contract <br> between the City and the City Manager. |

SECTION 11. The City Manager is authorized to set and administer a job-related allowance schedule for employees that may include uniforms, boots, safety gear, phones, vehicles and similar items in amounts that are reasonably related to the cost of such items and their use for job-related purposes.

SECTION 12. All ordinances in conflict with this ordinance are hereby repealed.
SECTION 13. This Salary Ordinance shall take effect Sunday, December 24, 2023, and after its publication in The Manhattan Mercury.

PASSED BY THE GOVERNING BODY OF THE CITY OF MANHATTAN, KANSAS, THIS $\qquad$ DAY OF $\qquad$ 2023.

Mark J. Hatesoh1, Mayor
